An Appeal to the Parents:

A humble request to the honourable parents-

Gurukul believes in honesty. Our children should learn the lesson of honesty from parents, teachers & school atmosphere.

Parents will be involved in invigilation duty for the entrance test since children will appear for the test from home for safety during this pandemic. If parents malpractise and help the child to write the answers, so that he/she scores good marks, your child will curse you in future life by saying that he/she had learnt corruption from the parents when he/she was a child. Please conduct the test properly, sincerely & honestly. Let the child score marks with his/her own effort.

Thanking you,

School Authority
